

Introduction to Digital Photography

Led by Sedona Dobson of Sedona Marie Photography

What you will learn!

- Camera parts and types, shooting in raw format, format card, lens calibration, vision board for photography goals
- Light, aperture, f stop, and ISO
- Shutter speed
- Composition- the rule of thirds. Good composition? Bad composition?
- Portraits! Importance of good focus. Importance of cropping. Be intentional.
- Landscapes
- Architectural photography- angles and how to use them “correctly”
- Photojournalism- tell a story with photos.
- Studio light & MORE!!!

My Background: I am a self-taught photographer. I started my photography business in 2016. I graduated from homeschool in 2018, and in May 2019 I graduated from KVCC with an associate's degree in Business. I will graduate in May 2021 with a degree in Advertising from WMU. I taught Intro to Digital Photography in the 2019-2020 KAT school year.
